# Frequently Asked Questions

This sheet gives you fast and easy answers to client questions and concerns about Acura Care<sup>®</sup> Maintenance. Use this sheet to explain the benefits and protection Acura Care Maintenance offers.

## Q: What is Acura Care Maintenance?

A. Acura Care Maintenance enables you to prepay for factory-recommended services.<sup>2</sup> Offered exclusively to Acura clients, this plan is designed to help you keep your vehicle in top condition while protecting you from inflation should labor and parts costs rise. Acura Care Maintenance comes in a variety of terms so you can pick the coverage that's right for you.

## Q: How does the plan work?

A. Acura Care Maintenance coverage correlates to your vehicle's Maintenance Minder Indicator. When the indicator comes on, the recommended services<sup>2</sup> are covered, based on the term of coverage purchased.

## Q: I'm leasing a vehicle. Can I still purchase Acura Care Maintenance?

A. Yes. You can add Acura Care Maintenance to any new vehicle that's under 12 months/12,000 miles, whether you lease, finance or pay cash.

## Q: Do I have to go to my original dealer for service?

A. No, any enrolled and authorized Acura dealer can perform the recommended services<sup>2</sup> on your vehicle. This helps to ensure your vehicle will be serviced by factory-trained technicians who know your vehicle's technology.

## Q: What if I can't afford Acura Care Maintenance?

A. You can finance Acura Care Maintenance with an affordable payment plan through your Acura dealer. Your monthly payments can be automatically deducted from the checking account or credit card of your choice, which can earn you points if you belong to a rewards program.

## Q: Is Acura Care Maintenance different from the manufacturer's warranty that comes with my vehicle?

A. Yes. Acura Care Maintenance provides completely different coverage. Maintenance items are not covered under your manufacturer's warranty.

## Q: Can I buy an Acura Care Maintenance plan with an Acura Care VSC?

A. Yes. In fact, when you combine Acura Care Maintenance with a VSC, you can have peace of mind knowing you are covered for both recommended services<sup>2</sup> and unexpected and costly repair bills.

A. Acura Care Maintenance only covers the factory-recommended services<sup>2</sup> specified by your owner's manual when the Maintenance Minder Indicator comes on.

## Q: What happens when I sell my car?

A. Acura Care coverage is transferable, which can add to the resale value of your car if you decide to sell it.
